Safety and Security:

The International Drive Resort Area Chamber of Commerce strongly supports the Orange County Sheriff's Office and the Orlando Police Department in their efforts to reduce crime in the area. The Chamber created the "Crime Alert Fax System" to communicate criminal activity quickly and effectively. When an event happens, information is compiled on the crime alert form, and within seconds, the information is transmitted, via fax to hundreds of businesses in the International Drive Resort Area. Since its installation, Lake Buena Vista has linked up with this International Drive system allowing expanded communication.
